## Conferences & Events

## Facilities

Mansfield College offers a wide range of conference, dining and vacation course facilities within one of the most attractive sites in Oxford. The combination of inspiring Victorian Gothic architecture overlooking one of the largest open quadrangles in Oxford, a modern conference centre and the unique Mansfield atmosphere create the perfect conference and event environment.

Ideally located with easy vehicle access, Mansfield is quietly situated in leafy central Oxford, close to the University Parks and the many historical and architectural highlights of the city. The bus, coach and railway stations are only a short taxi ride or a short walk away.

Mansfield offers a wide variety of options for conference groups, as well as for numerous other functions, events and vacation courses.

## Accommodation

All conference and event accommodation at Mansfield College is based on-site for added convenience. Each of our comfortable single rooms has internet access, telephone and tea and coffee making facilities. Rooms are divided into the following categories:

## *The Ideal Conference & Event Venue*

“We have staged some of our most successful and intellectually enriching conferences at Mansfield; the services we have received across all areas of conference organising have been exceptional - a professional, friendly and attentive staff team for whom nothing is too much trouble and who always take time to make sure things are running well. The facilities are conducive to excellence in dialogue and interpersonal engagement, the food wonderful and the general context one in which you can relax and enjoy...”

*Dr. Rob Fisher, Learning Solutions, inter-disciplinary.net*

“The location was both quiet and suitable for team work, as well as within walking distance from Oxford’s lively centre. Conference rooms were practical and suitably equipped, the dining room was beautiful. What we enjoyed particularly was that your staff were incredibly helpful and friendly.”

*Alex Bush, HelpAge International*
