Last year one Oxford college admitted 96% of its students from state schools. How did they do it?

Mansfield College has risen up the league tables through its outstanding outreach work.
Studying at Mansfield
Living at Mansfield

All undergraduates are housed in Mansfield accommodation. Most students, including all first years, live on the main site, with the rest in college accommodation a 15-minute walk away.

You can watch a full accommodation tour on our YouTube channel!
Food at Mansfield

Our food is considered some of the best in Oxford, particularly for vegetarian and vegan food!

Students have access to several large kitchens in both onsite and off-site accommodation. There is a separate kitchen for students who keep Kosher.

Formal halls are usually twice a week (Wednesdays and Fridays).
Student Life

We may be small, but there is always lots going on.

We have lots of sports and societies within the college. Mansfield also has a non-auditioned choir, open to anyone who can read music.

The JCR is one of the largest and is a place for students to gather and socialise. It has a table tennis and pool table.
