The JCR bench contains officers which aim to ensure equal opportunities for all members of the student body.

- These include a Women’s Officer, an LGBTQ+ Officer, a Disabilities and Mental Health Officer, an International Students’ Officer, a Visiting Student Programme Officer, and an Access Officer.
- The Women’s Officer, the LGBTQ+ Officer, and the Disabilities and Mental Health Officer publicise information on activism occurring in Oxford which relates to their respective groups.
- The Women’s Officer, the LGBTQ+ Officer, and the Disabilities and Mental Health Officer are encouraged to publicise information about support available to their groups.
- The Women’s Officer and the Men’s Officer are jointly responsible for maintaining the stock of the welfare lockers which contain contraception, sanitary products, and panic alarms.
- The International Students’ Officer, the Visiting Student Programme Officer and the LGBTQ+ Officer each organise one social event per term.
- The Access Officer encourages potential applicants from all backgrounds to apply to Mansfield.

This year:

- The LGBTQ+ Officer has held joint social events with the MCR Equalities Officer.
- JCR students have been active on a number of campaigns relating to equal opportunities:
  - It Happens Here
  - Mind Your Head
  - On Your Doorstep
  - Suspended Students’ Campaign
- JCR students have successfully lobbied College to ensure that the Love Lane building is built with gender neutral toilets in public spaces and to adopt an inclusive policy towards transgender students.
- The JCR President has established an Equal Opportunities Working Group. The Group meets termly to discuss potential events which could be held to foster good relations between students who share a minority characteristic and/or to inform the student body of equal opportunities-related issues. The Group also has the potential to be a mouthpiece through which student concerns relating to Equal Opportunities can be raised to the College.
