Mansfield College - Travel & Parking

It is recommended that visitors to Mansfield College make use of the excellent public transport links both into and around Oxford. If arriving by train or coach, the College is within walking distance or a short taxi ride from both Oxford train station and the Gloucester Green coach station, which is in the centre of the town.

If travelling by car, the city’s extensive park and ride system offers frequent journeys from convenient pick-up and drop-off points throughout the day. Additional city centre parking options comprise a small number of medium to large sized car parks, as well as on-street parking at various locations. Please find further information on parking in the link at the foot of the page.

Park & Ride

Oxford’s Park and Ride system operates from the following five locations, each within two miles of the city centre: Peartree (North), Water Eaton (North), Thornhill (East), Redbridge (East) and Seacourt (West). Wheelchair accessible buses operate high frequency services on designated bus lanes, around major radial routes, linking the car parks to the city centre. For further information including charges, bus ticket rates, timetables and postcodes for satellite navigation please see the link at the foot of the page.

Public Car Parks

There are a few city centre public car parks in Oxford and others situated a short bus or taxi ride from the central area. For further information including car park locations, charges and postcodes for satellite navigation please see the link at the foot of the page.

On-Street Parking

On street parking is available at various locations throughout central Oxford, including Mansfield Road. On-street parking conditions and charges are often subject to change at short notice and we therefore advise you to pay particular attention to the parking meter/payment machine information and street signage. For further information regarding on-street parking including locations, charging hours and charges please see the link at the foot of the page.

Parking for the Disabled

Parking spaces for the disabled can be found at most of the locations detailed above. At each Park & Ride Car Park spaces can be found directly adjacent to the bus stops. Within the on-street parking areas, special disabled bays are clearly marked. For further information regarding parking for disabled people please see the link at the foot of the page.
