The accommodation will include furniture, bed linens, access to a shared kitchen, WiFi and/or Ethernet connection, and utilities. Any Visiting Student wishing to extend their housing contract may ask to do so for an additional charge, but room availability outside the programme dates cannot be guaranteed. Please note that no landline telephone service is provided, so students are advised to have a mobile phone with an international calling plan.

All College accommodation is self-catering, but Visiting Students may use the College Dining Hall, where meal costs are subsidised.

Deposit

An acceptance deposit of £500 is payable immediately upon acceptance of your place at Mansfield College. This deposit is **non-refundable** if you do not take up your place. Upon your arrival at Mansfield College, this sum will be carried forward as a security deposit, and at the end of the year this deposit will be returned minus any sum owing on your Battels account.

If you are applying independently, i.e. your home College or University will not be paying any of your tuition or accommodation fees to us on your behalf, you will also need to pay a non-refundable deposit of 10% of the total fee by **30 June 2025**.

Billing

If you are paying your fees yourself, Mansfield College will send an invoice for the fees directly to you. If your home College or University is paying part or all of your fees, an invoice will be sent directly to the institution. Tutorials and courses of study can only be entered into if the full fees have been paid on receipt of our invoice.

Once you are here, you will have a billing account with the College (called Battels). Any meals you purchase and any other charges (e.g. printing) are added to your account, which you will be able to access online. Prompt settlement is required. Please note that no transcript will be issued until all outstanding debts have been settled.
